Wenasa Quenhotan Lodge 23

Where to Go Camping

W.D. Boyce Council, BSA
Greetings Scouts!

This is the Wenasa Quenhotan Where to Go Camping book. One of the purposes of The Order of the Arrow is promoting camping in our home units, so it is my goal to help all of you find somewhere you can enjoy camping. In this book are state parks, scout camps, High Adventure camps, and some trails enjoyed by many people. As much as this book should help, camps change over time so if you notice any inaccuracy, please fill out the form on page 51. Please note that not every camp featured in this book has camping available, some are limited to day events only. Thank you for supporting Wenasa Quenhotan!

Happy Camping!

Ingersoll Scout Reservation
Ingersoll Scout Reservation is located about 40 miles west of Peoria, Illinois on Route 116. It is operated by our own council, W.D. Boyce. ISR encompasses nearly 1000 acres of beautiful Illinois terrain, with rolling hills, deciduous forest, wetlands, and prairie along several miles of the Cedar Creek. It offers top-of-the-line summer camp program and fantastic year-round camping opportunities. This is definitely a camp that should be visited by area troops, whether for a weekend campout in December or for a week of fun in July.

The ISR summer camp experience is like no other camp program in the country. For one week, your troop can enjoy all of the natural beauty of the camp, while an enthusiastic and helpful staff will help them earn merit badges and guide them through the best scouting experience they have ever seen. Whether you are a young scout on his first outing or a Life Scout coming for your fifth year, there is a program for you that will leave you with skills and memories that will last throughout your lifetime.

What can you do at summer camp? There are so many things to do at ISR that you’ll wish you had an extra week to do them all! One of the biggest activities at ISR is merit badges. Choose from over 40 badges to work on every day with knowledgeable staff that will help you achieve your goals. The merit badges that are offered include many that are Eagle-required, like Citizenship in the World and Communications, Swimming and Lifesaving at the pool, and Environmental Science at Eco-Con. Also offered are many “just for fun” badges, like Archery and Rifle/Shotgun Shooting at Shooting Sports, Canoeing, Rowing, and Small Boat
Sailing at Lake Roberts, and Wilderness Survival, Pioneering, and Sculpture at Scoutcraft. Got some free time? Head over to any program area, such as the pool or climbing tower, during open program and get help with your merit badges or just have fun. Your free time can also be spent at the trading post, where a variety of snacks and useful camp gadgets are available.

At ISR, program goes beyond merit badges. In the evening on Wednesday, The Order of the Arrow holds a pow wow and its callout ceremony to induct scouts and leaders who live up to the ideals of Scouting into their brotherhood. This captivating display of Native American culture will impress not only scouts, but their families as well, as they will be there for Family Night.

Another unique program at ISR is Camp Wilderness, a number of outposts with fun activities troops can sign up to attend. Troops will get to choose which Outposts they go to: the Muddy Mississippi swim party at Crawdad, the Minnesota Logging camp at Paul Bunyan, and the western saloon and ranch at Horseshoe Bend.

This is just a brief overview of camp program. There is much, much more to experience once you are at camp. Summer camp is the ultimate Scouting experience; make your troop’s memorable at Ingersoll Scout Reservation.
Summer Camp Merit Badges

Changing every year, here’s a list of some of the popular merit badges offered at ISR.

All merit badges are taught in specialized areas by experienced staff. Some merit badges require things to be completed before camp, so make sure you know your merit badge requirements before leaving for camp.

Trailblazer Program at Brownsea Island

For first-year campers, a highly recommended program is the Trailblazer Program at Brownsea Island. This program aids new campers in learning about essential Scouting skills, like the patrol method, outdoor skills, and respect for Scouting ideals, while at the same time helping them towards the rank of First Class.
Trailblazer is a great jumpstart for new scouts and will definitely make their first summer camp experience a great one.

**Camp Wilderness**

The purpose of this new program is to provide scouts with a fresh camp experience beyond regular program. Outposts are special themed activity areas located at various places outside the main camp. The things troops do there are intended to let them unwind and have fun after working on merit badges in camp all week. The Outposts are listed below; each troop can choose which ones to go to.

**Paul Bunyan**

Get up at the crack of dawn and hike on out to ISR’s very own Northern Minnesota logging camp at Paul Bunyan! Chat with the residents of the camp about the life of a lumberjack while climbing spar poles, throwing tomahawks, and playing traditional logging games. After you’ve spent the morning experiencing the logger lifestyle, enjoy a huge, home-cooked pancake breakfast before heading back to the main camp for regular camp activities.
Crawdad

Afternoon heat getting you down? No worries! Around 5:15, head on down to the banks of the Cedar Creek for the best swim party this side of the Mississippi. Splash around in the creek or ride the waterslide down into the muddy depths! For troops who aren’t afraid to get dirty, Crawdad will be a truly memorable experience.

Horseshoe Bend

As the camp day draws to a close, hike on out past the lake and into another era. At the Horseshoe Bend Saloon and Ranch, the lifestyle of the 19th century frontiersman comes alive! Enjoy delicious homemade dinners and desserts, with kettle corn, ice cream, and the ever-popular IBC Horseshoe Bend Root Beer. Also experience lassoing, branding, and blacksmithing, where you can sing, play, and dance the night away in Native American fashion. Horseshoe Bend is a memorable experience for scouts and scouters of all ages.

Mountain Board Lunch

A great program for small troops (5-10 Scouts) after eating lunch, a staff member will guide you through riding on Dining Hall Hill. This is a fun and exciting program for Older Scouts to participate in and have the thrill and adrenalin of riding down the Hill! Troops meet at Scoutcraft for Lunch.
**Troop Swim**

Enjoy lunch before a swim in the pool! Two Lifeguards are provided. Note the troop must provide a leader (at least 21 years of age) certified in Safe Swim Defense. Troops meet at the Pool Pavilion for Lunch.

**Troop Climb**

Eat Lunch at the Climbing Tower then enjoy some time climbing, rappelling, zip lining, or compete in a Milk Crate Stacking competition. Troops will meet at the Climbing Tower Pavilion for Lunch.

**Lake Lunch**

Enjoy lunch then get out on the lake to kayak, canoe, stand-up paddleboard, or have some fun going down the waterslide! Troops participating in Lake Lunch must have an adult leader (at least 21 years or age) certified in Safety Afloat. Troops meet at Eco-Con for Lunch.

**Troop Shoot**

Troops may choose between shooting at the rifle, shotgun, or archery ranges for some target practice. Troops are responsible for paying for shotgun ammo from the Trading Post. Troops meet at the Rifle Range for lunch.
Mountain Bike Lunch
Enjoy Lunch at the Mountain Bike Program Building then take a ride on the 2-mile-long Mountain Bike Trail or ride along the Cedar Creek Trail! This Lunch Time program has a limit of 10 riders.

Night Fishing
Troops will spend an evening fishing and cooking their own meal on the grill. Scouts and Leaders will use the Fish Shack for cleaning and cooking fish. A staff member will assist with the fishing equipment. Ingersoll has some rods, reels, and tackle, but feel free to bring your own!

Year-Round Fishing at Ingersoll
Whether spring, fall, or winter, the fishing at Ingersoll is fantastic. The camp contains the 17 acre Lake Roberts, which is home to bass, bluegill, carp, and catfish. During the spring and fall, boats and canoes can be rented from the camp. During winter months, ice fishing equipment can be rented for you to use.

Cedar Creek Trail
The Cedar Creek Trail is available for year round hiking. It is an excellent nature trail, following the Cedar Creek for most of its boundary with the camp and looping back through the heart of the Far East Side and into the main camp.
Hikers have the option of hiking 2, 5, or all 12 miles. Participation Patches and mile segments are available through the ranger or at the Council Service Center.

**Weekend Camping**

Except during summer camp, free weekend tent camping is available year round at ISR. Troops can either rent tents and equipment from the camp or bring their own. During winter months, troops also have the option to rent the dining hall, which comes complete with a wood-burning heater, or the new RMS Lodge.

The RMS Lodge, built in 2018 is a 4 season Lodge designed to get the whole unit out and enjoying the great outdoors. The lodge has 11 bedrooms that can host up to 4 people in each, 6 individual bathrooms with heated showers, a warming kitchen, and a living space great for meals and fellowship! Use the ISR Camp Use Form to rent the RMS Lodge for your Pack's or Troop's next outing.

**Information or Reservations**

Write the W. D. Boyce Council, BSA at 614 N.E. Madison Ave., Peoria, IL 61603 or call (309) 673-6136 or (800) 369-5069 to secure a camp-use form. This form must be filled out and returned to the Council Service Center at least one week before arrival at camp. For more information about ISR, see the latest copy of the ISR Leader’s Guide, available online at the W.D. Boyce Council Website.

**Rock Cut State Park**

Rock-blasting operations conducted by railroad crews in 1859 gave Rock Cut State Park its name. Located north of Rockford, the park’s 3,100 acres are host to a full range of summer and winter activities, including: mountain biking, hiking, fishing, swimming, camping, and cross-country. There are approximately 40 miles of trail, with some technical runs for bikers. The main Rock Cut Trail is rolling doubletrack. Numerous singletracks take off from the primary Rock Cut Trail at various locations and rejoin it at other points. Bikers can take excellent rides through the blast areas, as well some fun technical play areas.

Philmont Scout Ranch

Route 1, Box 35
Cimarron, NM 87714
(505) 376-2281

Philmont is a national camping area, owned and operated by the Boy Scouts of America. Philmont is large, comprising 137,493 acres or about 215 square miles of rugged mountain wilderness in the Sangre de Cristo (Blood of Christ) range of the Rockies. The ranch operates 32 staffed camps and 50 unstaffed camps. Philmont has high mountains that dominate rough terrain with an elevation ranging from 6,500 to 12,441 feet.

Since Philmont's first camping season in 1939, more than 700,000 Scouts, Venturers, and their leaders have participated in the rugged challenge of its backpacking program. Base camp isn't quite so rugged, offering the luxuries of a dining hall, showers, platform tents, and a trading post. A medical center is available, as are chapels for different religious faiths. The ranch and surrounding area offer many places to go and things to do. The Kit Carson and Philmont museums and the Seton Memorial Library are well worth visiting before or after your trek. Nearby towns such as Cimarron and Springer are windows to the region's rich history. Philmont Scout Ranch provides an unforgettable adventure along its hundreds of miles of rugged, rocky trails. Program features combine the best of the old West—horseback riding, burro packing, gold panning, chuck wagon dinners, and interpretive history—with exciting challenges for today—rock climbing, burro racing, mountain biking, and rifle shooting—in an unbeatable recipe for fast-moving, outdoor fun. But there's a lot more to Philmont than backpacking. Other programs include horseback expeditions called Cavalcades; extended expeditions called Rayado Treks, a 20-day advanced backpacking trek; R.O.C.S., the 21-day Roving Outdoor Conservation School; Order of the Arrow Trail Crew, a 14-day trail-building and hiking program; and Ranch Hands, a 16-day program in which participants work with the Horse Department and experience a Cavalcade. Reservations are required to stay at Philmont and need to be made one year in advance. If you would like more information on Philmont you can
contact the council service center and ask for the booklets on Philmont. For more information, go to: http://www.scouting.org/highadventure/philmont.aspx or www.philmont.com

Northern Tier National High Adventure Bases
P.O. Box 509
Ely, Minnesota 55731-0509
(218) 365-4811

Welcome to the Northern Tier. You are stepping into a country explored by few people. From June through August, Northern Tier takes pride in offering Scouts the world's best canoeing. Choosing your Northern Tier program base is your first step. The Northern Tier has several adventures, each with a different character. Come with the Northern Tier on an unforgettable journey through the heart and soul of Canoe Country. The trip will be approximately 90 miles in length. The price is the same as for a regular trip. It does involve some additional logistics, however. Many contingents split into two groups; for example, one crew starts in Atikokan and one starts in Ely. There is a grand portage trip. This is a little longer than the usual trek. This route covers 125 miles of the route the Voyageurs followed when traveling to and from Lake Superior. It starts at the C.L. Sommers base in Ely and ends at the Grand Portage National Monument area on Lake Superior. There is a shuttle fee of $320.00 to bring your group back to the base. If you are thinking about this trip you should make your reservations in April of the year before you want to go. There is a special rate of 10% off if you go between June 10 and July 6 because they are not as busy at that time. For more information, go to: http://www.ntier.org/

The Florida National High Adventure Sea Base is headquartered in the heart of the fabulous Florida Keys, on an island 75 miles south of Miami and near Mile Marker 74. Key West, the southernmost point in the Keys, Florida and the United States is located at Mile Marker zero. Scouting's most complete aquatic facility offers a complete variety of water activities from SCUBA diving to sailing "Tall Ships". All participants have the opportunity to swim, snorkel, and fish among the most beautiful coral reefs in the northern hemisphere. The elevated dormitories look out across Florida Bay to one of the many bridges that separate the Gulf of Mexico from the Atlantic Ocean. The harbor has a 300-foot pier for sailing yachts, as well as many smaller docks for the fleet of powerboats. SCUBA instruction is offered in special diving tanks complete with an underwater viewing port. The Ship's Store (Trading Post) sells many items that you may have forgotten and items to take home to help you remember your adventure. Only a few miles offshore, an extensive underwater living coral garden forms a barrier reef protecting the islands. Here, among pillars of living coral, you come face to face with thousands of multi-hued tropical fish in water so clear that while swimming, you have the sensation of floating in mid-air. You do many different things while you are at Sea Base, including Scuba Certification, Scuba Adventure, Out Island Adventure, Keys Adventure, Bahamas Tall Ship Adventure, Bahamas Adventure, Sea Exploring, and Coral Reef Sailing. The Summit Bechel Reserve--Paul R. Christen Nation High Adventure Base

2550 Jack Furst Dr
Glen Jean, WV 25846

The Paul R. Christen National High Adventure Base is part of the Summit Bechel Reserve. High Adventure at SBR focuses on more than the adrenaline and wow-factor, it’s about finding and breaking personal limits. The Paul R. Christen High Adventure Base features three program categories with a total of seven programs.

The Summit Experience Program allows scouts to take part in a bit of every program. This is a seven-day and six-night long adventure with half day introductions to all nine venues. Each group will also participate in a half day service project and The Big Zip- a ¾ mile long zip line. Each night the Scott Summit Center is open for socializing, activities, and small versions of the Summit’s venues. All scouts must be 13 years old by the 1st of September the year they plan to attend. The minimum group size is seven people (the majority being youth) and there is no maximum.

The Focused Programs allow Scouts and Venturers to focus on a single area and develop skills in that area while still having time to take elective choices. Helmets and Harnesses focus on climbing related activities and challenge courses; The Marksman is shooting sports and archery; Berms and Bars is a BMX bike area, and Ramps and rails is for skateboarding.

Trek Programs are designed to utilize one of the greatest resources in the eastern United States: The New River Gorge. Scouts in Trek Programs get to camp in the heart of the Appalachian Mountains along the river or on the trail overlooking the gorge.

For more information or register for The Summit, go to https://www.summitbsa.org/ and select the HIGH ADVENTURE heading.
Cache Lake Camp

Cache Lake Camp is a fishing, boating, and water sports outpost owned by the W. D. Boyce Council, and located just across the border in Ontario, Canada. The camp is located 670 miles north of Bloomington, Illinois, approximately eight miles via water, northeast of Crane Lake, Minnesota. The crystal clear lakes, abundant wildlife (including Eagles), and magnificent sunsets make this one of the best camping experiences that the Council has to offer.

Fishing, boating, canoeing, sailboarding, hiking, and wilderness camping are among the activities available at Cache Lake. Each unit designs its own program based on the interests and skills of those attending. The facility includes a bunkhouse for sleeping, dining area and fully equipped kitchen, fish-cleaning station, showers, flush toilets, and latrines. Limited boats, canoes, and other water craft are available. Rental boats and motors, food supplies, fuel, and other necessities are available at the marina at Crane Lake and at a nearby lodge. Units bring most of their food and supplies to camp with them.

To secure one of the limited number of Cache Lake opportunities that are available each summer, your unit must attend a special meeting held in the fall before each camping season, enter a lottery, and have your number drawn. Individuals may also be able to attend with another unit that needs additional youth to fill their quota. Scouts must be 12 years or older by May 1 in the year they will attend camp, and must have attained First Class rank.
