Ewing Cultural Center, located on the Sunset Hill estate of the late Hazle Buck Ewing, sits majestically on 6.5 acres of wooded landscape in Bloomington, Illinois. This beautiful estate, rich in local history, is preserved and elegantly maintained due to the generosity of prominent citizens who discovered a way to celebrate the area’s culture, landscape, and nature.

ScoutREACH Thanks You!

The Lawn Social directly supports the W.D. Boyce Council ScoutREACH program. The purpose of the ScoutREACH program is to address the needs of at-risk youth and give them the opportunity to take part in programs that provide them positive experiences and influences in their lives.

ScoutREACH is committed to enriching the lives of these youth by offering free Scout programming in low-income schools and neighborhoods. Your generous support and attendance at this year’s Lawn Social makes it possible for ScoutREACH youth to attend Adventure Camp, race in a Pinewood Derby, visit Ingersoll Scout Reservation, and fully experience the life-changing power of the Scouts.
